Law Revision Counsel
House of Representatives
Room H2-304, House Annex No. 2
Washington, D.C. 20515

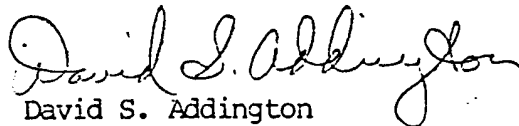

Dear Mr. Willett:

I understand that your office is developing legislation to codify title 8, United States Code relating to immigration and nationality. Chairman Rodino of the Judiciary Committee introduced a codification bill (H.R. 3321) on September 17, 1985.

Since H.R. 3321 was introduced, the Immigration and Nationality Act has been amended. Section 601 of the Intelligence Authorization Act for Fiscal Year 1986 (Public Law 99-169; December 4, 1985) amended Section 316 of the Immigration and Nationality Act to authorize waiver of certain naturalization requirements for certain individuals who make extraordinary contributions to the national security or the conduct of U.S. intelligence activities.

Your adjustment of the title 8 codification legislation to preserve these existing provisions of law enacted by Section 601 of the FY 1986 Intelligence Authorization Act would be much appreciated.

Sincerely,

David S. Addington
